

MATHER AEROSPACE MODELERS OPEN HOUSE

JUNE 5, 2010 11AM UNTIL 2PM

New to the RC hobby? Interested in learning how to fly? Looking for a new flying site and folks interested in helping you in the hobby? Want to try flying on a RC simulator and with a real plane while using a buddy box?

Come visit us on Saturday, June 5th and have a good time and learn more about the hobby. Bring the kids. They can try the simulator and even have a shot a flying one of our RC planes.

We will provide a free lunch for our guests and any budding pilots that want to join us for the day.

Directions:

The field is located in Sacramento County, California near the intersection of Eagles Nest Rd. and Kiefer Blvd. on the former Mather Air Force Base (about one mile south of Mather Golf Course).

Take the Sunrise exit off of Rt 50 and go south on Sunrise for roughly seven miles. Turn right on to Kiefer Road. At the "T" intersection turn right onto the dirt road. The field is an additionally 300 yards on the right (east) side of Eagles Nest Road.
