Third space \$ _____ \$50.00, add \$25.00 for front row.
Total _____ \$ _____

The "Fly-In" is the largest Giant-Scale event on the west coast and attracts over 200 pilots and thousands of spectators over the four days of flying. We look forward to you joining us this year.

We will be back to the familiar Castle format with food vendors in the center aisle and some hobby vendors along the front row. We will indicate on the form if you are guaranteed a front row space.

We will try to allot spaces as fairly as possible. Please request only the space(s) you REALLY need. The Vendor spaces are allotted first to "last year's" participants. The spaces are 40ft deep and 15ft wide. You will be sent a map of the site noting your numbered spot. If you are not happy with your space and cancel by May 1st, you will get a full refund. All spaces are to be paid in advance by April 15th. Please make check payable to Central CA Model Flyers. Don't hesitate to contact the following with questions:
