Big Turnout For December Meeting

December 2, 1999 was a warm reminder of the reason we all belong to the club. Good Friends, Great Videos and Free Food!

President Dave Sullivan took time to thank last years

leaders, then introduced this years crew.

Sixteen raffle prizes were awarded, five of which were donated by RC Country. The biggest of the prizes, a SIG Somethin' Extra was

professionally built by Steve Wilson. This beautiful pearl and purple sport flyer included an engine. The grand prize winner was Jim Stondall. Congratulations Jim!

So far approximately 45% of members have renewed. You other 55% know who you are.

New Year's Day Fun Fly

Don't forget the first event of the year! New Year's Day at the field bring whatever you have to fly with your hangover.

Last years event had a large turnout and was a great way to usher in the new year with friends. Barring any weather catastrophe, this year should be even better. We look forward to seeing you out there.

Events Calendar

January 6:

The first meeting of the year will be held at Mather Hospital, 7:30 p.m. Dean and Andrea Raymond (Mr. & Mrs. Secretary) will be on hand to collect Year 2000 renewal dues and issue membership cards. Raffle prizes will be abundant.
