

December meeting

December 5, 2002

Before the meeting was called to order, two videotapes were shown. One was a ten-minute clip of Richard Malinowski's aerial footage from a Sig Kadet. The other was a mixture of different clips of our members flying, put together by Dean Raymond

MASM president Dave Sullivan called the meeting to order at 7:30.

He announced the officers for the year 2003. He then said that he was passing the office of presidency after being president for three years, and he thanked everybody for their support.

The raffle came next. After the raffle, the meeting adjourned.
