November Meeting

Presidents Message

Dean Raymond brought the meeting to order inside the gym building meeting room. Dean asked the crowd if there were any new members or visitors, there was one father and his daughter visiting. Dean stated that it had been an honor to serve as the President for the last two years. Dean then went on to inform the membership of the breach of our 400 foot ceiling by Red Baron club members. He read the email that he sent out on the subject and shared the results of his meeting with the Red Barons. Dean wants everyone to remember and be conscious of the 400 foot ceiling. The entire email can be read on our website.

Secretary's Report

Mike reported that we had 10 membership renewals to date.

Treasurer's Report

Account balances can be obtained by attending a meeting or speaking personally with Dick.

Safety: Chuck stated that he had personally met with the Red Barons safety officer on the altitude issue in an effort to avoid any future infractions of our 400 foot ceiling limitation. The safety officer for the Red Barons had counseled the members that interfered with the incoming full scale helicopter. Chuck stated that if you are flying and observe a full scale aircraft in the area bring your planes altitude down and out of the way. Dean followed up with the helicopter club on the alcohol issue, they are now in agreement there will be no alcohol tolerated at the field.

Old Business: The issue of spreading rock in the parking area of the flying site was settled. It was agreed to lay down a 12 to 15 foot wide section in front of the pit areas for parking. This will take place on November the 19th, so please show up to help. Robert Plum reported on his progress for the Toys for Tots event, it will take place on December the 3rd. A new unwrapped toy will score a hot dog lunch plus there will be a giant scale flight demonstration at lunch time. The rest of the day will be dedicated to sport flying and collecting toys for the children who may not be as fortunate as others. The next bit of old business was discussion on search for a new meeting site. Dean reported that he was not successful in his search yet. Continued on page 2
