December Meeting

Presidents Message

Dean Raymond brought his last meeting to order as our President at the Straw Hat pizza parlor. Dean stated that it had been a great two years serving as our President. His last official acts were to thank Keith Fick for his efforts in laying the rock down in our parking area at the field. He also thanked Dave Sullivan for providing the pizza for the gravel work party. Dean reminded the site committee members that there will be a meeting on the 15th, call Dean for the location. Finally Dean passed the gavel to our new President Richard Malinowski. Richard started by thanking the membership for trusting him enough to elect him president. He also thanked the past presidents for laying the foundation of our great club. Richard encouraged the membership to come to the monthly meetings and be part of the growth of MASM. Richard stressed the need for communication among the members and that the monthly meeting was the best forum for this. This way everyone will stay focused on what's best for the membership.
