July Meeting

July 2006

Volume 1, Issue 21

## NOTICE

**MASM Member Announcement**

**Next Months  
Meeting will be  
held at the  
flying field.**

### Presidents Message:

Richard welcomed the members to the July meeting at the flying field. He pointed out that the weeds had been sprayed and cut around the runway. Richard commented that the continued success of the club and the facilities is directly related to members that volunteer to help. He stated that we have 170 members and if everyone would just help out a couple of hours a month the maintenance of the site would be easy. Richard would like the complete membership to understand that it takes all of us to maintain the flying site. The entire club should not rely on 12% of the membership to perform all of the work and put on all of the events. Everyone should realize that volunteering is just as important as the dues are for membership in the club.

President	Website Manager	Safety Officers	Flight Instructors	
Richard Malinowski 684-6652	Kenny Bemis 363-1971 <a href="mailto:kenny@lanset.com">kenny@lanset.com</a>	Chuck Roundy	<u>Coordinator: Dean Raymond (916)363-3326</u>	Bob Lind 966-3721
Vice President Dave Edwards 451-0342	Newsletter Editor Mark Sherrill 209-745-7758 <a href="mailto:mksherrill@sbcglobal.net">mksherrill@sbcglobal.net</a>	Leader Member Rex Williams Jr.	Chuck Roundy 715-0860	Dean Raymond 363-3326
Secretary Mike Clawson 967-0424	Field Marshall Norm Poynter	Member-at-Large Bart Holdener	Les Gillet 455-7148	Ellis Hall 331-6302
Treasurer Hank Pajari 768-1951			Ed Sutter 361-8200	Rex Williams Jr. 362-8988

**Secretary's Report**

Mike was not present at this months meeting.

**Treasurer's Report**

Account balances can be obtained by attending a meeting or speaking personally with Hank Pajari.

**Safety:** Safety in the Pits was this month's topic. A new member had started his new plane on top of the table, reached into adjust the carburetor and the prop found his flesh. First thing there should be no starting of airplanes on top of the tables. Second everyone should be really careful around the prop while the engine is running. Everyone needs to be aware of the hazards associated with our hobby. Beginners as well as veterans should review the safety rules, field regulations and field operational rules regularly. Remember Safety is no Accident and it is all the memberships responsibility to enforce!

**New Members**

There were two new members present at the July meeting. Welcome Ernesto Martinez and Bill Howell.

**Old Business:** The new rules signs were delivered by Rex and Bob Mosher volunteered to install them on the fence. Richard reported on the Competition fun fly that was held on June 18<sup>th</sup>. He told us there were five participants, everyone had fun and everyone was a winner. Rex stated that this years Sunrise mall show was the best yet. Rex personally named and thanked all the volunteers that participated. The bids were in to mow the ten acres around the runway and will be done prior to the Open Field day on August 5<sup>th</sup>. Discussion on a work party to help paint and repair tables before the Open Field day event took place, no dates were set. Our next meeting will be held at the flying site so everyone can asses the condition for the Open Field day. Volunteers are still needed for our Open Field day, contact Richard to help.

**New Business:** A proposal to solicit bids to slurry seal the runway and pit area was discussed. A motion was made to not spend more than 10K for the slurry seal. The motion passed and Victor volunteered to take care of the bids as well as having it all done. A discussion also took place on adding a couple of new tables and covering all of them with indoor/outdoor carpet. Richard wanted to let everyone know that the officers were working on a proposal for security at the flying field. Details could not be shared at this meeting but are forthcoming. John was awarded a certificate of appreciation for being the judge at the competition fun fly.

**Information for the August 3rd meeting from the President****URGENT****Open Filed Day Volunteers Needed!**
