- Presidents corner
- Meeting notes
- Events
- New Members

Presidents Corner

Victor Alfieri opened the meeting at 7:30 pm. There was one new member present There were no visitors.

Victor Says to be looking for the new road improvements and the pit extensions.

Summer is coming up and lets have fun and fly

safe. Watch for the coming up work day all the help we get will be appreciated.

If you see these planes grab them they were stolen

Secretary's report

170 members new and returns have been sent in 165 cards have been sent out. If you still

haven't received yours contact Mike.

Inside this issue:

Presidents corner	1
Secretary's reports	1
Treasures report	2
Safety report	2
New Members	3
Prize winners	3
Hobby stores	4

Treasures report

At the meeting the members were informed of all expenses and earnings and the clubs accounts balances. For all detailed reports contact Hank Pajari

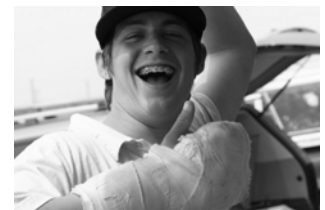

Safety report

The issues are all re-occurring ones and are posted and or common sense while starting your planes take them off the tables and point them away

from the pit area. Also for those running four stroke motors a lean motor can cough back and you will loosen propellers this way. Be sure and watch the

props for your safety and all the other people around.

End result of not starting the plane correctly

Old Business

We are still looking for a new meeting place some of the members want a place with food available so keep your eyes and ears open. A bylaws committee has been put together and is in the process of going through the bylaws and constitution. Bud is asking for all of the

members that picked up one of the papers for the open house day fly to please return them with your choices of things you can help with. Bud's also asking for all modelers to promote the sport wherever you are, start within your own neighborhood and then the people

you come in contact with. LETS TALK IT UP. If you are still without the combination to the gate you car ask the pres Vic or one of the other board members but make sure you have the magic membership card!!

New Members

Bill Cashdollar

Welcome goes out to all of our new members. And to the old members remember the club grows by hand shakes and offering your name to all the new faces we see at the flying field.

If you see someone you don't know introduce yourself make them feel welcome you were new once too!!

Newsletter

The newsletter will be available at RC Country for those that want one in hand. Also if you need one mailed

please let Mike Know. If you want it emailed to you let Frank have your E-mail address.

Air mail newsletters available
